Minutes of the HBHYC Emergent Board meeting October 27, 2022

A telecon meeting with all Board members (Frank, Snieckus, Hall, Crutchlow, and Milby) commenced at 6 pm.

Discussion of how to hire an experienced carpenter to support decking on E dock and walkways occurred. Options are to hire him as a contractor or an employee. Hiring him at a reasonable hourly rate as a HBHYC temporary employee was determined by consensus to be the most beneficial. The teamwork as a HBHYC employee is expected to be another benefit.

The meeting was adjourned at 6:16pm.

The next scheduled meeting will be held on Nov. 13, 2022, at 9:30 AM.
