## Minutes of the emergent HBHYC board meeting 11/03/2022

All five board members attended this telephone session along with Justin Pimm.

Employee scheduling during the ongoing building project was discussed.

The agreed on plan is to have all employees work Mon. to Fri. with no one on site weekends during the duration of this project. Justin will monitor calls and the camera feed on the weekend days. Locally residing board members will be available to support Justin during weekends as needed.

This schedule will start on Nov 7<sup>th</sup>, be monitored by the board and continue through bulk project work. The board will review this change again during the next scheduled board meeting Nov 12<sup>th</sup>, 2022.

This meeting began at 6:01pm and finished at 6:17pm
